

Presentation of flight training program at

MARCH FOR PEACE

April 23rd, 2022 Montbello Library

Denver Broncos Boys & Girls Club

Beautiful Weather during this event and America's House of Commons presented a video to introduce the flight school opportunity for youth. A lot of people were interested to learn more about this program and we will present this program in schools and other locations.

Denver BRONCOS player and sponsor of the event Justin Simmons with Nosh Tarachand, founder of America's House of Commons and Richard Poole (on the left), board member and Outreach Coordinator for America's House of Commons
